A screenshot of the EasyWeb Login form. It has a light green background. The form includes a 'Username or Access Card' field with a blacked-out input, a '+ Description (Optional)' field, a 'Password' field with masked input, and a 'Remember me' checkbox. A green 'Login' button with a lock icon is circled in red. At the bottom, there is a link for 'Forgot your username or password?'.

3. Select "Statements & Documents"

4. Select account and click "ok"

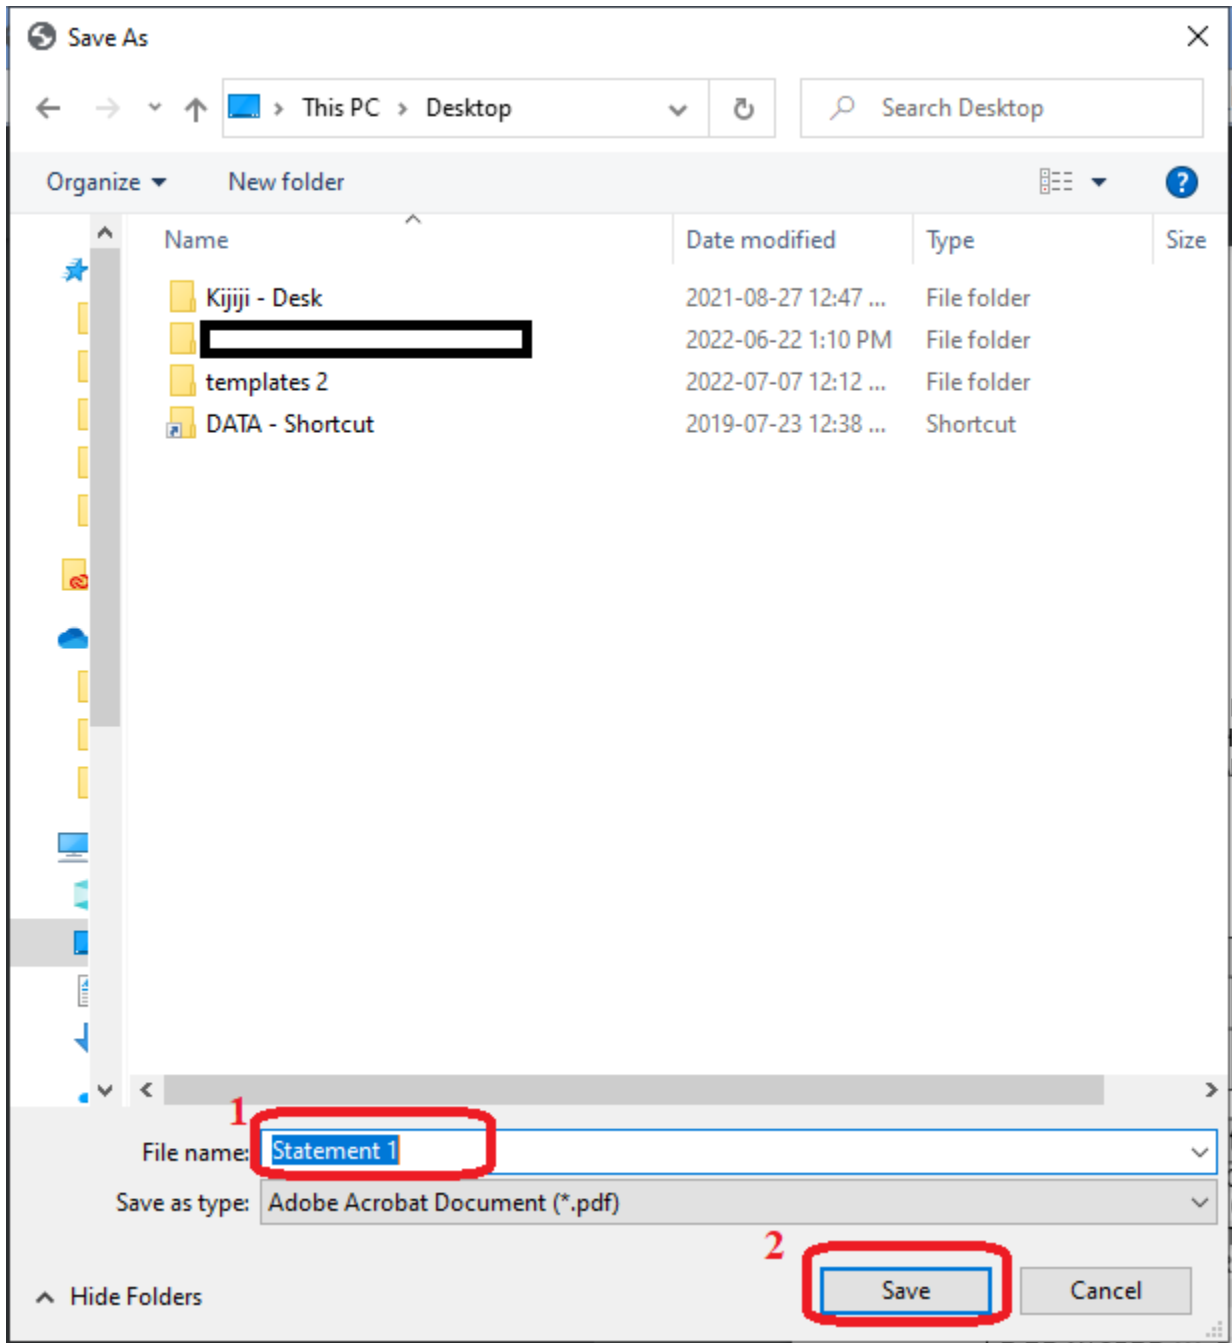

- Select and your latest 3 months' bank statements

The screenshot shows the TD online banking interface. On the left is a navigation menu with options: Delivery Preferences, Communications, Session History, Order Foreign Currency, Pay Bills, Transfers, Interac e-Transfer®, TD Global Transfer, and Investments. The main content area shows the account name 'TD ALL-INCLUSIVE BANKING PLAN' with a masked ID. Below this is a section titled 'Get statements by account' with a dropdown menu for the account name and an 'OK' button. The date range is set to 'Start Date: JANUARY 7, 2022' and 'End Date: JULY 7, 2022'. A table titled 'My Online Statements' lists several statement periods, with the most recent three (May 31 2022 - Jun 30 2022, Apr 29 2022 - May 31 2022, and Mar 31 2022 - Apr 29 2022) highlighted in green and marked with red arrows.

- When you click on each statement link, a pdf should appear. Right-click anywhere on the statement and click "save as".

The screenshot shows a TD Canada Trust statement page. A callout box points to the account holder's name field, stating 'Produces a statement with all account holders' names!'. The name field contains 'MR [redacted] OR MRS [redacted]'. Below this are fields for 'Statement of Account' (Branch No. and Account No.) and 'Account Type' (ALLINCLUSIVE). A table with columns 'Description', 'Withdrawals', and 'Deposits' is visible, with the first row containing 'STARTING BALANCE'. A right-click context menu is open over the page, with the 'Save as...' option highlighted in red. Other menu items include Back, Forward, Reload, Print..., Cast..., Create QR Code for this page, Translate to English, Rotate clockwise, Rotate counterclockwise, and Inspect.

7. If using a PC a "Save As" box should appear. Name and save the file. You should now be able to email the file.
